

Summary Update - January 2017

On Wednesday, January 25, 2017, Bishop O'Connell released his decisions related to the Faith in our Future planning process.

St. Alphonsus, St. George, and St. James, the 3 parishes comprising the FIOF "Cohort 8", will not be merged, but will continue in our current linked mode.

"Linked" means separate parishes under one pastor, cooperating with each other wherever it makes pastoral & financial sense.

This is what the cohort team and our parishes have been praying and working for!
Thanks to everyone who helped in this process, and most of all, DEO GRATIAS!
